

Dear Voters of Floyd County,

It is my pleasure to endorse Barbara Penson for Clerk of Superior Court. I have known Barbara as a colleague and friend for 14 years. Throughout her career, Barbara has consistently conducted herself in a professional manner. Never one to be satisfied with "getting by," Barbara approaches her duties with great diligence, conscientiousness, and perfection. Barbara's combination of administrative expertise, business acumen and education have sufficiently prepared her for the position of Clerk of Superior Court. Barbara's interpersonal skills and her ability to resolve issues in a fair, impartial, and cost-efficient manner will be an asset to Floyd County. In addition, Barbara treats all persons with dignity and respect, a trait too seldom seen in the political arena.

As a person, Barbara's character and integrity are of the highest order. *No hidden agendas and no "skeletons in the closet" come with Barbara Penson.* Barbara has served our community in a multitude of ways for many years and always in a commendable and honorable fashion.

Barbara's decision to run for Clerk of Superior Court came as a result of her desire to have a positive impact in our community. Regardless of an individual's political party affiliation, he or she would be proud to have someone of Barbara's caliber as Clerk of Superior Court. As such, I hope you will cast your ballot on July 15 for the *most qualified* candidate for Clerk of Superior Court...
Barbara H. Penson.

Sincerely,

Melissa M. Pyle
