To Whom It May Concern:

I am pleased to support Barbara Penson for Clerk of Superior Court. I have found Barbara to be an intelligent and diligent individual. She takes her responsibilities seriously, and works hard to fulfill her commitments. I believe her track record as an employee of the school system demonstrates her desire to improve our county. She will serve our community well.

I feel that Barbara's work ethic makes her the best choice for Clerk of Superior Court. It is without reservation that my vote will go to Barbara Penson.

Sincerely,

Jason Free
